

**MIRAGE**  
**SPRAY BUFF**  
**\*PERFORMANCE LINE\***

**DESCRIPTION**

---

Scot's TUFF™ **Mirage Spray Buff** is a ready-to-use spray that repairs dull floor finishes and restores gloss. **Mirage Spray Buff's** special combination of cleaning agents and polymers quickly cleans black heel marks, scuffs and general foot soil while restoring the original gloss of the floor. Regular use will extend the service life of the floor finish and leave a pleasing appearance. Ideal for cleaning and polishing high traffic lanes.

**APPLICATIONS AND USES**

---

Easy-to-use, **Mirage Spray Buff** lengthens the time between recoating and stripping. No mixing is required. Just spray on and machine buff to return resilient floors to their original beauty. Buffing pads rinse clean, quickly and easily.

**DIRECTIONS FOR USE**

---

Damp mop or scrub floor to remove excess soil, heavy dirt, and sand that may scratch floor during buffing. **Mirage Spray Buff** may be applied by pump dispenser or hand held trigger sprayers. It is ready-to-use, DO NOT DILUTE. Spray only a small area at a time ahead of buffing machine. Do not allow **Mirage Spray Buff** to dry on floor before buffing. Buff the sprayed area (light mist) using a clean buff pad until a high gloss is achieved. Continue spraying and buffing until entire area is polished.
