

OXYSHOT! **OXYGEN BOOSTER**

DESCRIPTION

Scot's *TUFF*[™] **OxyShot!** Oxygen Booster enhances your carpet and upholstery and boosts cleaning effectiveness. This safe and easy-to-use formula is ideal for Berber and light colored carpeting. Can be used with any carpet cleaning system, at all temperatures, and on most washable fabrics.

APPLICATIONS AND USES

For use on most washable fabrics especially white, light colored and Berber carpets. Use in any carpet cleaning equipment at any temperature. Will not interfere with encapsulating properties of **Scot's *TUFF* Encapsulating Cleaners**.

DIRECTIONS FOR USE

Test in inconspicuous place for color fastness before using.

Hot Water Extraction and Upholstery: Add 2 oz. of **OxyShot** per gallon of RTU **Scot's *TUFF*** cleaner.

Low Moisture: Add 2 oz. of **OxyShot** per gallon of RTU **Scot's *TUFF*** cleaner.

NOTE: Do not allow **OxyShot** mixture to sit overnight as additive will lose effectiveness.

FEATURES AND BENEFITS

- Whitens whites and brightens colors on carpets and upholstery
- Compatible with any carpet cleaning system
- Meets all low V.O.C. regulatory requirements
