

FOAMDRY SR
ENCAPSULATING BRUSH & BONNET CLEANER
WITH STAIN RESIST

DESCRIPTION

Scot's *TUFF FoamDry SR Encapsulating Brush & Bonnet Cleaner with Stain Resist* blends detergents, emulsifiers and advanced polymers to remove dirt, eliminate soil-attracting residues and reduce wicking. Protectors resist wet and dry soils. Its robust formula reduces the need for separate steps to remove spots and protect the carpet. Dye site blockers prevent spill absorption. Carpets get cleaner, and stay cleaner longer.

APPLICATIONS AND USES

Use on all types of carpeting including commercial, plush, cut pile, and looped. Safe to use on all washable carpet fibers including wool, polyester, nylon, acrylic, synthetics and synthetic blends.

	<i>Residential</i>	<i>Commercial</i>	<i>Upholstery</i>	<i>Low Moisture</i>
Primary		X		X
Secondary	X		X	

DIRECTIONS FOR USE

Foam Generating Machines: Release just enough foam to cover carpet pile. Work the foam into the pile. Do not build up excess foam or over saturate. Follow machine manufacturer's instructions.

Bonnet Scrubbers: The bonnet may either be saturated with the diluted solution or the solution may be sprayed as a mist ahead of the machine.

Mist & Scrub (Cylindrical and Rotary Brushes): Spray solution ahead of machine.

Agitate before carpet dries. Vacuum thoroughly when dry to remove encapsulated soils.

FEATURES AND BENEFITS

- One step cleaning and restoration
- Leaves no dirt-attracting residue
- Crystal polymers encapsulate dirt
- For all foam, bonnet and low moisture machines

TECHNICAL DATA

Appearance.....Clear
 Diluted pH..... 7.5
 Fragrance..... Citrus lavender
 Stability..... Freeze/thaw stable

ITEM #

PACKAGED

DILUTION RATIO (1:16)

246C001	1 Gallon Bottle 4/case	Moderate Soil 1:16	8 oz. per gallon
246C005	5 Gallon Pail each	Heavy Soil 1:11	12 oz. per gallon
240C055	55 Gallon Drum each
