

DEFEND CARPET & UPHOLSTERY PROTECTANT

DESCRIPTION

Scot's TUFF™ *Defend* Carpet & Upholstery Protectant makes carpet and upholstery fabrics resilient to wet and dry soils. Spills can be blotted up, avoiding wicking and staining. Contains dye site blockers.

APPLICATIONS AND USES

Safe to use on most washable carpet and upholstery.

	<i>Residential</i>	<i>Commercial</i>	<i>Restaurant</i>	<i>Upholstery</i>	<i>Low Moisture</i>
Primary	X			X	
Secondary		X	X		X

DIRECTIONS FOR USE

For upholstery, test in inconspicuous place for color fastness before using.

Carpet: Spray carpet with a 50% overlapping spray pattern. Brush or rake in. Allow carpet to dry before resuming use. For truckmount equipment, use a nozzle no smaller than an 8006 Tee jet nozzle. Do not exceed 300 psi at pump outlet.

Upholstery: Apply to clean, water-safe upholstery materials only. **Defend** must be applied as the last treatment to dry or damp fabric. Apply with a nozzle no smaller than size 65015. Do not aerosolize. Hold spray gun approximately 10 - 20 inches from fabric. Using a smooth back and forth motion, overlap slightly to ensure even application. Brush surface after spraying.

COVERAGE

400 sq. ft. per diluted gallon of **Defend**. Coverage will vary depending on type of carpet. **Defend** will cover 400 sq. ft. of heavy pile residential carpet and up to 800 sq. ft. of low pile commercial carpet.

FEATURES AND BENEFITS

- Superior soil and spill protection with dye site blockers
- Effective on carpet and upholstery
- Apply to damp or dry carpet
- CFC and solvent free

TECHNICAL DATA

Appearance..... White opaque liquid
 pH..... 6.8-7.2
 Fragrance..... Floral
 Stability..... Freeze/thaw stable

ITEM # PACKAGED

252C001 1 gal. 4/case

DILUTION RATIO (1:4)

HydroForce™ Sprayer: Fill container with **Defend** without diluting. Use recommended nozzle adjustment to accomplish a dilution rate of 1:4.

Portable Sprayers: Mix 1 quart of **Defend** per gallon of water for 1:4 final dilution ratio.

Upholstery: Mix 1 part **Defend** with 4 parts water.
