

ALL-PURPOSE NEUTRAL CLEANER

DESCRIPTION

SCOT'S TUFF All-Purpose Neutral Cleaner is a non-alkaline cleaner specifically formulated to clean modern floor finishes without harming them. When used as directed, **All-Purpose Neutral Cleaner** will not leave a residue or dull the finish. Safe to use on all washable surfaces, even surfaces that are sensitive to alkali. **All-Purpose Neutral Cleaner** contains gloss reconditioners that, when used on a routine basis, actually enhance the appearance of a worn floor.

APPLICATIONS AND USES

All-Purpose Neutral Cleaner is safe on all washable surfaces including painted surfaces, varnished wood, tile, marble terrazzo, etc. For best results, use as a daily maintenance program on floors.

DIRECTIONS FOR USE

All-Purpose Neutral Cleaner may be applied by damp mopping or a gentle brush scrubbing machine. Surfaces other than floors may be cleaned manually with a sponge. NOTE: **All-Purpose Neutral Cleaner** is not harmed by freezing. If product is frozen, allow to thaw at room temperature and mix thoroughly.

FEATURES AND BENEFITS

- Safe to use on all washable surfaces
- No rinsing required
- Leaves no film or haze
