

## DUSTING SPRAY DUST MOP TREATMENT

### DESCRIPTION

---

**SCOT'S TUFF Dusting Spray Dust Mop Treatment** removes dust, smudges and lint from furniture, cabinets, blinds, floors and more. Simply spray onto a cloth or dust mop and wipe the surface to be cleaned.

### APPLICATIONS AND USES

---

Use on wood, composition, marble floors, woodwork, cabinets and more. Enables a more thorough performance with less effort, especially in cracks, crevices and other hard-to-reach areas. Contains no silicones or wax so it will not build up or create slippery surface.

### DIRECTIONS FOR USE

---

Shake can well before using. Spray a light coating onto surface and polish with a soft cloth. For floors, spray onto the dust mop (not the floor). Dust thoroughly and let dry to avoid slippery floors.

### FEATURES AND BENEFITS
